You’re probably wondering why I mailed this letter inside a bank bag.

I did it for 2 Reasons:

1. I wanted to grab your attention and I knew if you received a bank bag in the mail, you’d open it up right away... Was I correct
2. A bank bag is very relevant symbol of what I want to discuss with you because when you read my entire letter you’ll see that what I’m talking with you about is money... specifically the best ways to know to put MORE MONEY in your pockets... **and I know that’s what you really want.**
