

So You're Going to Use 3D Mail... Now What?

- » Who do you target? Prospects? Current clients? Inactive clients?
- » How do you craft a winning letter that ensures response?
- » Where do you turn to get a continuous flow of tested and proven direct mail ideas?
- » How can you put 'blinders' on your competition and 'make your money in the dark'?

If you're in pain...

This is Just What The Doctor Ordered..

If you can keep an open mind, and if you would like to greatly increase the response and payback from your direct mail, then reading this letter may be the most profitable 7 minutes of your entire week, month, or year

(So grab a cup of coffee or a coke, tell everyone to leave you alone, take the phone off the hook, lock the door -- Do whatever else you have to do to give me your full and undivided attention... I promise it will be well worth your time.)

Dear <<first>>,

You've taken a big leap in your business. You've decided to give your direct mail a dramatic boost, and I commend you for that. It's not easy doing something that may be new, different, or unknown. Because of this, I want to put you in the best possible position to succeed with 3D Mail.

So, let me show you..

How to Ensure Your Direct Mail Get's Open and Read, Resulting in More Sales and Profits for Your Business

Everything you need to start seeing results by using 3D Mail is in my improved and newly updated *3D Mail Direct Marketing System*. The System includes two H-U-G-E, 5 inch notebooks filled to the brim with absolutely everything you need, in two G-I-A-N-T volumes. We've done all the research for you, all the testing.

The first 5-Inch notebook includes *Vol. 1, The 3D Mail Sales Explosion Kit*. This includes one sample of each product we currently stock. You'll get one pill bottle, one bank bag, one mini self-mailing trash can, one treasure chest... You get the idea. You can touch them, feel them, hold them, check them out to see which ones will work best for your business.

Also included in Vol. I are five reports that will allow you to have maximum success and profits from the System. The five reports include:

- ◇ ***Why 3D Mail Gets Such Great Results:*** This covers all the basic "in's and out's" of using 3D Mail, how to use it properly for maximum success, and why you should be testing 3D

Mail throughout your direct mail campaigns.

◇ ***The Top Thirteen Mistakes in Preparing a Sales Letter:***

When you sit down to write a letter using 3D Mail, you won't make the same mistakes we see time and time again when reviewing and critiquing work from our clients. This report will keep you from making these common mistakes.

◇ ***Why Premiums/Free Gifts Out Perform Discounts and Rebates:*** This report explains how you can use Free Gifts with OUT having to discount or rebate your products/services. Using the right free gift will cost you less than discounting, and it will drive added sales to your business.

◇ ***The Evolution of a \$10,000,000.00 Direct Mail Campaign:*** This is the "life-line" of my ultra-successful direct mail campaign I've been using since 1993 to get a constant flow of new clients to my business. You'll see every split-test, every tweak, every headline we've used, every nuance and progression of every letter we've sent and tested over the past 21 years. Truthfully, this series of letters has been worth way more than \$10 MILLION, but I honestly don't think you'd believe me if I told you how many sales this one series of letters is responsible for creating. This is 21 years of direct mail testing, already done for you.

◇ ***Copywriting to Sell Any Product or Service:*** The greatest 3D Mail in the world is worthless unless you know how to put words on paper that sell. This report will guide you through the copywriting process, so you don't miss a thing. Do you have an irresistible offer? Do you have a deadline? A guarantee? How do you craft them? This report will answer those questions.

◇ ***350 of the Best Headlines of All Time and The 25 Best Fill-In-The-Blank Headlines:*** Headlines are without a doubt, the most important part of any sales message. The best ones have been around for years. They are tested and proven, so why reinvent the wheel?

The use of object-mail, grabbers and freemiums plays a role in almost every direct-mail campaign I develop for my private clients as well as for my own use, and Travis Lee at 3D Mail Results is my go-to guy for these items and for fresh ideas.

I have brought in Travis and his team for projects, referred clients to him, and turned to him time and again for the right items at the right price. You'd be foolish not to use 3D Mail Results as your preferred resource, as I do."

"Doctors' Orders" Guarantee #1

Use any of the 207 letter examples in the 3D Mail Direct Marketing System as the basis for your letter to your prospect or client, call your client a year later and ask if they remember your mailing. If they don't remember it I'll give you 3 times your money back.

"Doctors' Orders" Guarantee #2

Once you receive the 3D Mail Direct Marketing System if you're not happy in any way - even if you don't like the color of the binder... anything - just return it for a complete and prompt refund for up to one year.

OK Travis, What's This Going to Cost Me?

"All of our members know that not only do I like 3D mail a lot, but I use them a lot. And there is no mystery as to why I use them. It's not because I want to make my mailing more complex and complicated. It's only because I want my mailing to have a better response, and that's exactly what they do. 3D Mail does a lot of great things, but the biggest thing it does, which is the only thing our members should even be paying attention to is, it increases response. The return on your investment will be much, much higher than the cost of it, so it just always pays for itself."

OVER.
PLEASE

If you were to hire the shoddiest, most amateur copywriter to create the number of letters included in the *3DMail Direct Marketing System* from scratch, you would conservatively spend \$20,700 (207 letters at \$100 each, for the rank amateur. Obviously much higher for someone who knows what they're doing.)

But This Isn't Sloppy, Amateur Copywriting

In fact far from it. The letters were written by Keith and myself, with a combined 27 years of real life, in the trenches business building, writing compelling sales letters for our various businesses. Creating REAL direct response letters that get people to open their wallets and buy. These aren't 'pretend' letters, but letters that get results, using the same approach and techniques we've used to build three separate, very successful businesses from scratch.

But I've got good news for you. You won't pay nearly what you would pay even the most rank amateur copywriter. In fact, just a fraction of that. I've successfully sold this same product at several 'live' events from the stage from \$397 to \$597, with little resistance. Of course this requires paying for travel and hotel, plus time away from the office, and a commission split with the promoter, thus justifying the higher price for seminar attendees.

Incredibly, for less than \$250 (Just \$247) you can have, at your fingertips, 207 ready-to-implement sales letters guaranteed to get your clients and prospects to respond and order, creating near instant cash flow. All you need to do his hit 'print' in Microsoft Word. It's that easy. All the hard work has been done for you.
